11th Hawkeye Downs Shorthorn Show and Sale

Combining forces to make this the largest and best event of its kind in the Middle West this fall. THINK OF IT! 86 Lots of Breeding Cattle, plus 11 calves at foot and promises of 40 Club Steer Calves for a total of 137 head in this event.

Volume and quality are some of the keynotes to success in this rapidly changing world. A poll was taken among the 175 breeders who were invited to consign to this sale. Of those answering, 75% voted for a joint sale, since it would have the effect of selling two breeds, so that buyers could make selections from both and also have volume from which buyers could make their selections. However, 92% voted to retain the separate identity of each breed's sale. They voted for around 70 head of breeding cattle plus the good prospects for 4-H and FFA calves. See breakdown of entries on next page.

The U. S. D. A. reports that the 1958 expected calf crop in the U. S. shows the 4th consecutive years of decreasing calf crops and 4% under the record crop in 1954. Here in the North-Central States the drop is 2% under 1957.

Cattle are a necessity on most of our well managed farms. They convert much roughage into edible products which are saleable and they help maintain the fertility of our farms.

This sale will afford the purebred breeder and commercial cattleman an opportunity to supply his needs in order to operate his farm to capacity and with profit. HE CAN BUY A SINGLE LOT OR A SEMI-LOAD IN THIS SALE.

Here we offer many prospective sires for the PUREBRED HERD or for CROSSING on cows of all breeding to produce economical beef. Or if it is cows with calves that you need you can find suitable ones in this sale. Then many, many bred females plus a large assortment of yearling heifers plus a dozen head of 1958 heifer calves for Club purposes. You will be able to buy them at reasonable prices.

And we haven't forgotten the boys and girls who want good steer calves to feed out for 4-H & FFA Club work in 1959. We have been promised 40 head by the breeders. Most are purebred Shorthorn calves and we will have a half dozen black calves sired by a fine Shorthorn bull and out of purebred Angus cows. They will demonstrate the value of a purebred Shorthorn or Polled Shorthorn bull for CROSSING purposes.

Kindly accept this invitation by the consignors and sale managers to be with us at this huge event on Sept. 20th.

The Sale: 12:00 Noon, sharp.

The 20th HAWKEYE DOWNS POLLED SHORTHORN SHOW and Sale

The 11th HAWKEYE DOWNS SHORTHORN SHOW and Sale

The purposes of the Hawkeye Downs sales are: to provide a meeting place for the good breeders of Iowa, Minn., Wisc., Ill. and Mo. to offer their cattle in large numbers and for prospective buyers to have a convenient and comfortable place to purchase real good cattle to fill their needs.

The cattle in this splendid offering come from many of the leading breeders in the Hawkeye Downs area which we aim to serve. You will find an offering of grand bulls and fine females and possessing the richest of bloodlines. Plus many 4-H & FFA prospects among the 1958 heifers and steer calves.

The offering: Polled Shorthorns Shorthorns Steer Calves

Bulls	17	10	
Cows with calves at foot and rebred	3	8	
Bred Females	8	13	
Open 1957 heifers	11	6	
'58 Heifer Calves	<u>1</u>	<u>9</u>	
Totals:	40	46	<u>40</u>

Lloyd Burr & Son, Roy Wagener, Max Franklin and Edmund Morris compose the sale committee from the consignors of both auctions to act as consultants and assistants to the sale manager.

Please do not hesitate to make yourself known to the consignors and sale managers when you arrive at the show and sale.

Merne Anderson of Victor, Iowa, who is sale manager of the Central States Shorthorn sales at Oskaloosa, will act as assistant sale manager here. He will handle the stalling and numbering of the steer calves and see to getting them into the sale ring. He will also collect the health certificates for the breeding cattle and pass them out when settlements are made.

Last spring we weighed the bulls as they came from the judging ring and announced their weights as they entered the ring. This proved popular with the audience and will be done again this fall.

PLEASE NOTE: We will have a dinner meeting at 6:30 the evening of September 19th at Bishops Cafeteria in Cedar Rapids. Simply go thru the line and when you get to the end of the line ask: "Where is the Shorthorn cattlemen's dining room"? They have reserved a separate dining room for us. We invite people who are interested in our kind of cattle to dine with the consignors and managers that evening. I will stop at Hotel Allison, next door to Bishops the night before the sale.

Club Calves

For a number of years we have been endeavoring to develop a large sale of quality steer calves at Hawkeye Downs. Usually we have sold about 25 calves at satisfactory prices.

This year we have been promised 40 steer calves and we have cataloged 10 head of 1958 Shorthorn heifer calves and 1 Polled Shorthorn heifer calf.

We will have 25 steer calves that will be led into the ring and also 15 that will be penned near the sale ring and driven into the ring. All the calves will be reds, whites or roans except 6 head from the McWhinney herd in Illinois. Last fall they sold several black calves sired by a Shorthorn bull and from pure bred Angus cows. Mr. McWhinney will have 6 of these black calves and 2 purebred Shorthorns. Then 2 good calves from Lloyd Burr & Son, 6 head from the Horr herd, 1 from Bolson, 3 or 4 from Wagener, 2 from Willis Osborne, and 1 each from Merne Anderson and R. L. Reece.

This will give our boys and girls an excellent opportunity to select their calves.

The sale order will most likely be:

12:00 Noon

11 females sell with calves at foot and possibly several of the calves may be sold off as separate lots for Club calves--so plan to stay until the sale is over.
